With the richness of 30 plus years of negotiation and reading body language experience, Greg Williams is an accomplished author/speaker/trainer/coach and recognized worldwide for his knowledge and insights. He's known as, The Master Negotiator and Body Language Expert.

As a Harvard trained negotiator and a TV news contributor, Greg is often requested to appear on TV to critique the meaning and degree of truthfulness concealed in the negotiation strategies and hidden body language gestures of politicians, entertainers, and others in the news.

As an author, Greg has written 7 books on the topics of negotiation, reading body language, emotional intelligence, and micro-expressions. Through his books, Webinars, consultations, and live presentations, Greg arms those seeking to enhance their skills by taking them on a journey of enlightenment. He does this by unraveling the vortex of uncertainty that some find themselves in when trying to decipher body language to add extra dimensions to their negotiation abilities.

Please welcome today's speaker, The Master Negotiator & Body Language Expert, Greg Williams!
